

Education transforms lives, strengthens families, and builds thriving communities.

“I will continue to provide thoughtful, collaborative, and data-informed leadership to build on our district’s progress and ensure that every student graduates prepared to achieve their dreams, contribute to our community, and build a successful future.”

- Dr. Chialin Hsieh

OUR SHARED PRIORITIES

Strong schools are built when students, educators, families, and the community work together.

Education transforms lives, strengthens families, and builds thriving communities.

I believe every student deserves the opportunity to succeed. As a lifelong educator, Vice President of Instruction, and current Board Vice President of the SSFUSD, I have dedicated my career to helping students build brighter futures.

Strong Teaching & Learning

Ensure every student has access to excellent teaching, strong academic programs, and opportunities that prepare them for college, meaningful careers, and life. Create welcoming and inclusive schools where every student feels safe, valued, supported, and a strong sense of belonging.

Support Our Teachers & Staff

Our teachers and classified professionals are essential to student success. Support, recruit, and retain excellent educators and staff and provide them with the resources they need to help students thrive.

Responsible Fiscal Stewardship

Make thoughtful and responsible decisions about district resources while protecting student learning and maintaining strong, sustainable schools for the future.

Strong Partnerships with Families & Community

Parents and families are essential partners in education. Strengthen communication and collaboration among our schools, families, educators, and the South San Francisco community.

WHY I'M RUNNING

I believe every student deserves an excellent education and the opportunity to build a successful future.

For the past 5 years, I am honored to serve on the South San Francisco Unified School District Board of Trustees. I am running for reelection to continue working with our educators, staff, families, and community to ensure every student has the opportunity to learn, grow, and succeed.

As a lifelong educator, parent, and current Trustee, I bring more than 20 years of experience in education and a deep commitment to student success. I want to continue working collaboratively with our teachers, classified staff, families, and community to strengthen our schools and create opportunities for every student.

Our best work happens when we work together and keep students at the center of our decisions.

LEADERSHIP & COMMUNITY SERVICE

- ✓ Board President, Vice President, and Clerk
- ✓ Board Bylaws Committee
